

DESERT BLOOM DOODLES

DOG HEALTH WARRANTY, PURCHASE AGREEMENT, AND SPAY / NEUTER CONTRACT

This contract is between: (Hereafter "Seller") and

DESERT BLOOM DOODLES

(Hereafter "Buyer") and is entered on this date:

Pertaining to:

Puppy Name:	Birthdate: May 22, 2023	Gender:
Sire: Kylo	Dam: Nala	Color:

Seller's Responsibility:

1. The seller guarantees that the puppy is in good health (minus potential intestinal parasites) and has received the following:
 - A. Age-appropriate immunizations
 - B. Deworming

2. The Seller provides warranty against debilitating congenital defects for a period of two (2) years after the date of sale.
 - A. Debilitating congenital defects are defined as those present since birth that are either life-threatening or would prevent the puppy from fulfilling the intended purpose for which it was purchased.
 - i. Examples of congenital defects may include: Brachycephalic Syndrome, Hip Dysplasia, Degenerative Myelopathy, Dilated Cardiomyopathy

 - B. Any suspected debilitating congenital defect must be confirmed by a licensed veterinarian (including necropsy if the dog dies).
 - i. Buyer must supply any requested veterinary records related to the dog's condition to the seller within seven days of diagnosis.

- ii. Seller has the right to require a second opinion from a veterinarian and/or veterinary specialist of the Seller's choice at the Seller's expense.
 - iii. If necropsy is performed and results in undetermined or inconclusive diagnosis, warranty is void.
- D. If a congenital defect is identified within the warranty period, the Buyer has the option to obtain a replacement puppy from the Seller of equal or lesser value from the next available litter.
 - i. Original puppy need not be returned, provided there is proper documentation of congenital issue.
 - ii. Breeder determines which puppy (of equal or lesser value) will be used as a replacement and the wait may be as long as 6-12 months.
 - iii. Color or gender is not guaranteed
 - iv. Delivery fees will not be refunded, and any costs associated with the delivery replacement puppy are to be covered by Buyer.
- E. This warranty does not include viral illnesses, infections, improper bites, stress-related illness, hernias, hypoglycemia, parasites (including Giardia or Coccidiosis), cancer or endocrine disorders. It also does not include any illness due to the ingestion of foreign objects, food, chemicals or physical injury.
- F. No warranties or guarantees, expressed or implied, are made under this contract except as stated.
- G. This warranty is non-transferable.

3. It is to be clearly understood, that the Seller does NOT, under any circumstances, accept responsibility for any veterinarian and/or health care expense.

Buyer's Responsibility:

1. The Buyer agrees to pay the Seller a total sum of \$2,800. This fee does not include delivery fees. If delivery is required, the Buyer agrees to pay \$___N/A___ for travel costs.
2. The Buyer bears all costs relating to the sale of the above animal, including transportation. The risk of loss or injury to the above animal is always on the Buyer after the puppy leaves the Seller.
3. The Seller highly recommends that the Buyer has the puppy examined by a licensed veterinarian within **three (3) business** days of taking possession, especially if it appears that the puppy is feeling ill.
 - A. If the puppy is found to be in poor health, the Buyer has the option of returning the puppy to the Seller, at the Buyer's delivery cost, for a full refund within this three-day period.
 - B. The Buyer will provide a written statement from a licensed veterinarian clearly stating the defect or illness.
 - C. If the puppy is not taken to a licensed veterinarian within three business days of taking possession, the return clause is void.
4. It is common for puppy parasites to flourish after joining their new family (stress and change accommodate this). The Buyer is responsible for all medical expenses associated with the treatment of intestinal parasites if the puppy is diagnosed, (even if the puppy has parasites present when sent home).

5. The Buyer agrees to postpone strenuous, forced exercise until after their puppy is over one (1) year of age to minimize joint damage as puppies develop.

6. While the Seller has exposed puppy to the beginning stages of socialization, conditioning, and training, it is important to note that the puppy is still in need of further training. The Seller has provided a foundation and highly recommends the Buyer provide continual obedience training with their puppy within the first year of adoption.

7. The Buyer agrees to never place their puppy with a rescue group, in a shelter, pound, or similar facility or research laboratory. The Buyer agrees to contact the Seller if the Buyer determines they are unable to keep their puppy for any reason, and the Seller will assist in the efforts to rehome the puppy.

Spay and Neuter Contract:

1. Spaying/neutering/gonad sparing surgery (GSS) by a licensed, reputable veterinarian is required on the above puppy by 15 months of age.
 - a. GSS surgery of Goldendoodles reduces the risk of various forms of cancer such as breast, uterine, or ovarian (for females) and testicular and prostate (in males).
 - b. GSS surgery can also greatly reduce the prevalence of some unwanted behaviors.
 - c. If the buyer is unable to provide to provide a Certificate of Spay/Neuter from a veterinarian, then the health warranty outlined in this contract will become null and void.

2. It is understood that at the time of sale that the puppy is not to be used for breeding. It is a representation of its breed and has been temperamentally bred to be a companion. It is being sold as a pet without breeding rights.

By signing this contract, I agree to all the previous terms of the contact and warranty
